They will have a tough time filling the spots vacated by the Senior players. The return of such players as Brown, Logan, and Shenk; brings with them the promise of another great team.

The Bulldogs then went on to capture the District 10 championship with a victory of 73-63 over runnerups Broadway High School. The Bulldogs continued their road to success as they went to the University of Virginia for Regional play. In the Regionals they met the highly talented Carver High School and took a victory from them by a score of 61-47. The next step of regional play for the Bulldogs was with Ft. Defiance High School which they romped to a 71-52 victory. The Bulldogs then advanced to the semi-finals of the State, but their road of success came to an abrupt end. The Bulldogs lost a very hard fought game to the Highly talented Altavista ball club by a score of 61-62. The Luray Bulldogs and coaching staff will be looking forward to the 1969-70 campaign.

The Pendulum Players aim to promote dramatics at Luray High School by active participation in club activities, plays, and by promoting appreciation of drama among the student body. Club activities this year were not all dramatic. Fund raising activities, for future plays, were the main project of the year. During Homecoming members sold balloon pompoms; pennants were sold during basketball season. Members presented skits at the beginning of the year for their own entertainment. A one act play **Murder by Morning** was presented at the end of the year. The club also offered classes in theatrical make-up to interest members.

Last June three FFA members went to the annual State convention in Blacksburg, Va.

The members participated in the state crop judging contest and placed 3rd among 44 chapters. One member received the state Farmer Degree— the highest degree given in the state. The chapter had an exhibit and a booth in the Page Valley Fair. These were money making projects. Many members also exhibited livestock and crops. The chapter decided to continue the heifer and gilt chain. The chapter acquired a new boar hog through the Shen-Valley Meat Packers. The chapter had its annual Parent-Son Banquet in May. Republican John O. Marsh spoke to the members and their parents. Also, in May the FFA and FHA had a picnic and a Hayride. Bennie Cubbage and Andy Zirkle attended the National Convention in Kansas City, Missouri. Bennie received the American Farmer Degree— the highest degree in F.F.A. Again in June, three members will attend the State Convention in Blacksburg to participate in the state crop judging contest. Four members will receive the State Farmer Degree.

The primary aims of the 1968-69 SCA were to increase student participation and interest and to take the school out into the community. The SCA sponsored numerous projects and activities and with unusual outstanding cooperation between the students, administration, and the community had a very active and successful year.

Some of the most outstanding activities of the SCA this year were sponsoring a foster child, homecoming activities, school clean-up campaign, community betterment day, aid to the town library, open house for American Education Week, party for retarded children, revision of the student handbook and printing of the student directories, leadership workshop, introduction of an honor system and many other successful projects.

SCA orientates the up coming Eighth graders.

ART CLUB

This year the art club was formed for the first time. They did not get organized until after the first of the year, but after that they undertook and finished many projects for the school. One was the sportsmanship Code for the gym and the Honor Code for the first floor hall. The art Club also helped various clubs and organizations decorate for dances and other activities. The aim of the club when it was formed was to contribute artistic works to the school and the community and to help artistically talented students to better develop himself.

While working on decorations for the Valentines Dance, Linda found that there were no towels.
